RESPONSE TO NOTICE TO FILE MISSING PARTS

Assistant Commissioner for Patents

Attention: BOX MISSING PARTS

Washington, DC 20231

Sir:

Applicants submit this paper in response to the Notice to File Missing Parts-Filing Date Granted ("the Notice") mailed on December 8, 1998 (the copy of the Notice to be returned with the response is attached). A response to the Notice was due on February 8, 1999. Accordingly, Applicants request a four-month extension of the period for response and attach hereto a check for \$1,360.00 to cover the fee for the extension.

In a separate, concurrently filed communication, Applicants are submitting the processing and retention fee for the subject application. In combination with payment of the fee to extend the period for responding to the Notice, Applicants believe that payment of the processing and retention fee is sufficient to keep the subject application pending through June 8, 1999, to enable the filing a continuation application claiming the benefit of its filing date. The continuation application is being separately filed under 37 C.F.R. § 1.53(b).

In the event additional fees are required under 37 C.F.R. § 1.78(a)(1) for a continuing application to claim the benefit of the filing date of the subject application, then the Commissioner is hereby authorized to charge such fees to Deposit Account No. 50-0805 (Order No. TMTOP002). A copy of this sheet is enclosed for this purpose.

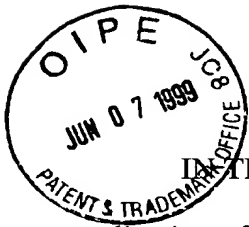

Respectfully submitted,
